Get to Know Jay Webber

By Matt Rooney | January 26, 2009

There's a few young New Jersey politicians worth following closely, and **Assemblyman Jay Webber (R-Morris)** is at the top of that list. He's a solid, articulate and unafraid conservative, and he's currently leading the fight to reform New Jersey's healthcare system with free market-based solutions.

[Check out this December *Daily Record* interview with Jay.](#) It provides some interesting insights into one of the NJGOP's rising stars. I wouldn't steer you wrong, Save Jerseyans.
